May

Every time I sit down to make a May Newsletter, I have such mixed feelings. Of course I am excited for summer and spending more time with my own children, but I will definitely miss sharing all of the preschool experiences with our sweet preschoolers. It is impossible to feel anything other than joy as they bounce in each morning, ready to explore the day!

For those of you who will have your youngest child graduate from our program this year, we ask that you please stay in touch. Our

preschool family will miss seeing you at preschool, but cannot wait to see and hear about all the amazing accomplishments that your little one will have.

We have been blessed with a great year, and we pray that you will all have a wonderful summer making lots of memories together. We can't wait to see you all in August! Happy summer everyone!

Do you know somebody who would like to work with the sweetest preschoolers and best preschool community around? CUMC Preschool is hiring teachers for the 2022-2023 school year. We are looking for enthusiastic, loving teachers to work in either our 2s or 3s program. These positions are 3 days a week 8:45-1:15, which is perfect for almost anyone's schedule.

We offer a competitive pay scale and free tuition for your oldest preschooler. If you are interested in making a positive impact with some of God's youngest students, please email or call our director, Tiffany Lehman (317-844-1958 tlehman@carmelumc.org)

Carmel UMC Preschool Promotion Celebration

All students in the 4s and Alt. K classes will celebrate the end of their preschool year with a promotion celebration. We ask that each student invites no more than four guests to allow room for all. The live stream can be found on our website www.carmelumc.org We are excited to be able to hold this celebration in honor of your preschoolers!
