## MEET TIFFANY LEHMAN CUMC PRESCHOOL DIRECTOR

### About Me:

My husband Jeremy and I are blessed to be the parents of two daughters, Addyson (13) and Izzy (9). Our family's love language is travel, hiking, and exploring new places together. We only have about 15 states left to explore in the U.S. as a family, and so far our favorite place is any state with mountains and lots of blue sky!

### My Experience:

I have been an educator for 19 years (Yes, I clearly started when I was ten years old..Ha!). I received my Bachelor's Degree from Purdue University in Elementary Education, and later I earned a Master's Degree from Ball State in Early Childhood Education and Program Administration. I have taught all levels and ages of students including teachers themselves! This is my seventh year as the director of Carmel UMC Preschool, and I truly love working with the amazing staff, energetic preschoolers, and all of the parents and caregivers.

### Why I Love CUMC Preschool:

I really enjoy being a part of this preschool community for so many reasons. Everyone is so supportive of each other and the preschoolers are absolute blessings! At home, I speak about the preschoolers as though they are a part of my family. My children love to hear funny, cute stories and will often ask me if I have any good stories today.....It's preschool.... I ALWAYS have good stories to share!

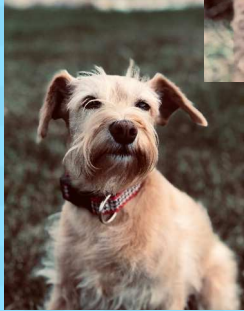

**My favorite color is light blue.**

**I would love to ski in Switzerland one day.**

**I love tapas, sushi, and all seafood.**

## Meet Stephanie Holl

### CUMC Preschool Assistant Director

#### About Me:

My husband, Mike, and I are a blended and blessed family of 7! Drew (22), Eve (19), John (16), Kadie (15) and Sam (13) keep us busy! We love the mountains and spend a lot of time skiing, hiking, and rafting in Colorado! I enjoy reading, running, shopping, and spending time with family and friends. On the weekends you might find me on a boat at a lake somewhere or enjoying time with our doggies Lily and Rosie!

My favorite color is purple.

I want to take a cruise to Alaska one day.

I love sushi, hibachi, and seafood.

#### My Experience:

After teaching in the 2's class for 6 years at CUMC, I am excited for my new role as Assistant Director! I look forward to this opportunity and can't wait to help make this an even better preschool than it already is!

#### Why I Love CUMC Preschool:

My children attended CUMC Preschool starting as Bunnies, just a few short years ago, so I hold CUMC near and dear to my heart. All of the teachers are amazing, and the families are so awesome and supportive! I am truly blessed to be a part of this preschool community!
