February Mission of the Month: Food Pantry Gardens

Have you noticed the gardens that are located at the northeast corner of our property? These gardens are planted each year to provide fresh vegetables to the patrons of the CUMC Food Pantry. For our mission this month, we are asking for donations of seed packets. These packets will be planted in containers soon and later transferred to the gardens. If you are able to help, please consider sending in a few packets of seeds with your child. Thank you!

TENTH STREET

photography

Picture Day: March 29th
and 30th

Though we are sad to share that our former photographer, 3 Pigs, has retired, we are happy to offer a school picture day with Tenth Street Photography! Tenth Street offers adorable pictures of your child individually, with their siblings, and as a class group.

Look for more information closer to picture day!

Leaving town early for spring break?
Tenth Street will work with you to schedule a time at their studio (your child will not appear in the class photo).
