FOOD PANTRY GARDENS

Find out more about how to get involved!

Food Pantry Gardens provide natural, fresh produce to our Food Pantry guests.

HOW CAN I HELP?

It requires a great amount of time and effort to maintain a garden of this size. We need your help in every way, big or small.

- If you have a group looking for a service opportunity, or you are interested in serving through this mission, in any other way, such as with sponsorship, organization, communications, construction, or financing? Then please contact our **Local Missions Coordinator, Linda Withrow** missions@carmelumc.org (317) 844-7275 ext. 267
- If you are a gardener or want to learn about gardening, or are just willing to pull some weeds now and then? Please reach out today to talk with **Stephanie Fairfield** at sjfairfield@comcast.net

WHO CAN HELP?... HERE ARE SOME OF OUR 2022 HELPERS:

Food Pantry Gardens provide opportunities for individuals and groups from both CUMC and the surrounding community to be the hands and feet of Christ. All season, a handful of dedicated gardeners regularly watered, tended, de-bugged and harvested.

- CUMC Preschool class pulled weeds, harvested tomatoes, and seeded fall crops.
- CHS Softball teams prepared beds, harvested herbs, and planted vegetables.
- Two different Scout Troops pulled weeds, moved mulch, and harvested beans.
- CUMC's new member class, our high school youth group, and summer mission camp kids, all worked hard moving soil and mulch, prepping beds, and pulling weeds.
- 5th grade kids from the St. Marks UMC Missions Camp spent a day here learning and serving.

*The land produced
vegetation—all sorts of seed

with seed-bearing fruit.
Their seeds produced
plants and trees of the
same kind. And God saw
that it was good.
